Re: Knollwood Country Club
Case 02-CA-150410

EXTENSION OF TIME TO FILE ANSWERING BRIEF TO EXCEPTIONS

Section 102.111(b) of the Board's Rules and Regulations provides that "[r]equests for extensions of time filed within three days of the due date must be grounded upon circumstances not reasonably foreseeable in advance" (emphasis added). The request for extension of time in the above-referenced case was filed within three days of the due date, yet no reason was given as to why the need for an extension of time was "not reasonably foreseeable in advance."

However, given that the request was filed two days prior to the due date and neither the Respondent's counsel nor the Charging Party's counsel object to the extension, I will grant a partial extension of time for filing answering briefs in this case. The due date will be extended by five weeks, to **August 25, 2016**. This extension applies to all parties.
